League Average Weekly Best Ball Score
Through Week 7

This is a new statistic I thought I would add to your reports.

Each week I review player handicaps using the 3 best scores of the rounds played so far. As we get more weeks of play we do see small changes in the handicaps of each player.

I reviewed the lower averages and it is clear that these players do tend to have higher handicaps but they are also doing a great job of one player having a good hole when their partner has a bad hole thus giving the team a good best ball score.

REMINDER: Men's maximum handicap is 18 and ladies is 24. Regardless of handicap, no player receives 2 strokes on a par 3 hole.
